Self Evaluation
Your Name: Adam Williams
Quality of work (1-5): 3
Quantity of work (1-5): 3
Initiative, creativity, expertise, leadership (1-5): 3
Dependability and meeting commitments (1-5): 3
Interaction, supporting other team members, sharing information (1-5): 2
Team meetings – Participation, punctuality (1-5): 1
Overall contributions (1-5): 2
Summarize your contributions this sprint: Leading the decision to use Azure SQL database, researching and beginning to download the appropriate data
Comments/feedback – I was late to properly link up with my team, so my engagement was late and limited. Though I'm already starting at a sprint in the next leg of the race.

Teammate Name: Chhering Lama
Quality of work (1-5): 5
Quantity of work (1-5): 5
Initiative, creativity, expertise, leadership (1-5): 5
